Professional Summary

Enthusiastic 3rd-year B.Tech Information Technology student with a strong foundation in Java, Python, and front-end web technologies (HTML, CSS). Hands-on experience building real-world problem-solving projects with a keen interest in full-stack development and scalable applications. Fast learner with a growth mindset, adaptable to emerging technologies. Motivated to apply technical skills through challenging internship or entry-level opportunities[cite: 1].

Technical Skills

Languages & Core Java, Python, TypeScript, SQL[cite: 1]
Web Technologies HTML5, CSS3, JavaScript[cite: 1]
Interests Full-Stack Development, Scalable Applications, Programming[cite: 1]

Education

B.Tech in Information Technology 2023 – 2027
V.S.B Engineering College CGPA: 7.82 / 10.0 · Karur, TN[cite: 1]
Class 12 – Higher Secondary Certificate (Computer Science) 2023
Govt. Higher Secondary School Percentage: 74.3%[cite: 1]
Class 10 – Secondary School Certificate 2021
Mercy Matric Hr. Sec. School Percentage: 100%[cite: 1]

Projects

MediChain AI – AI-powered Healthcare Solution 2026
AI · Blockchain · Data Management[cite: 1]
• Built intelligent features for secure patient data handling, diagnosis support, and medical record automation[cite: 1].
• Combined AI and decentralized technology models to significantly improve healthcare data accessibility and storage security[cite: 1].

Policy Flow AI – Policy Workflow Automation Dec 2025
TypeScript · Automation Logic · Process Automation[cite: 1]
• Designed advanced logic architectures to automate enterprise decision-making flows for policy management systems[cite: 1].
• Focused heavily on improving backend process automation constraints and structured policy handling workflows[cite: 1].

CareerPilot AI – AI-powered Career Copilot 2026
React · Tailwind CSS · Vite · Framer Motion
• Designed interactive path roadmaps, LeetCode analytics, and ATS resume analyzer.
• Built AI mock interview voice simulator, feedback charts, and placement trackers.

Certifications & Training

- **Internship 6.0 (B6-7): InsurAI: Corporate Policy Automation & Intelligence System** – Infosys Springboard
Jan – Mar 2026[cite: 1]
- **Programming in Java** – NPTEL *Jun 2025[cite: 1]*
- **Java Foundation Certification** – Infosys Springboard *Apr 2025[cite: 1]*

Languages & Interests

- **Languages Known:** Tamil, English, Kannada[cite: 1].
- **Core Interests:** Learning New Skills, Competitive Programming, Software Development Architecture[cite: 1].
